

HAPPY HOUR TRIVIA

JULY 7, 2017

Due to popular demand, the FrontSide quiz is back! We're still feeling patriotic, so this week's quiz again tests your knowledge of Canadian history, geography, pop culture and more. If we were Trivial Pursuit, we'd hand out pie wedges but we're not, so you just get bragging rights. Feel free to share your quiz results or feedback with us on social media or via email. You can Tweet your results using #FrontSideTrivia, too. Thanks for playing!

1. What music festival was founded by Sarah McLachlan?
